## PRIDE

It's all about the team. Just wearing the same jersey doesn't make you successful. A winning team plays with pride in the jersey and leaves nothing to chance.

## PASSION

Rivalry, determination, belief and desire. Success doesn't come without passion. We share your love for the game and aim to bring you the finest quality products to help you win in style. Only the best is good enough.

## PERFORMANCE

The choice of leading Pro Clubs for over twenty years. Avec delivers the latest technical fabrics manufactured to the same high standards to help you perform at your best, whatever league you're in.

The Avec brand has a proud and long standing heritage, supplying premium quality team kit and training wear to professional football clubs throughout the Premier League and Football League.

## SERVICES

## EMBROIDERY

Put the finishing touches to your football kit or training wear by adding an embroidered badge to each garment. We use our in-house embroidery machines to produce top quality applications. We recognise that your club badge is one of the most important things to you and your team; after all it's your identity.

Our experience and expertise of dealing with professional football clubs translates through all leagues and Grassroots, to ensure that our service remains the same for every customer.

## HEAT APPLIED BADGE

Last season we introduced heat applied printed badges to our range of services and it has been extremely popular with our customers. After the fantastic feedback we have received, we are happy to announce that heat applied printed badges are here to stay.

- Customise your kit and training wear with your club badge to give your garments that finishing touch.
- Offers clarity to more complex club badges.
- A cost effective solution for teams looking to get value for money, whilst still fully embellishing their kit.

## SPONSOR LOGOS

We know how important it is to a sponsor that their company logo looks impressive, from a 5-a-side team up to the professional game. That is why we take so much care in producing the highest quality sponsor logo for you.

- Customise your Team Kit or Training wear with a sponsor logo.
- Heat applied with industry standard machines.

## NUMBERING AND INITIALS

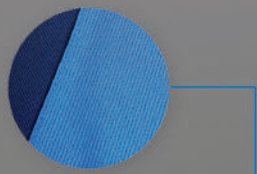

We provide a numbering service to get those all important shirt numbers on the back of your kits. Each number is heat applied to the jersey. We have a choice of three colours (White, Black and Royal) designed to match our entire range of Jerseys. Maximum of 2 numbers per garment.

Personalise each team members training wear by adding their own initials, making each piece specific to them. Give that professional touch to your training range. Maximum of 3 initials per garment.

## VAPEURVENT

Lightweight eyelet mesh polyester designed to help draw sweat away from areas of the body and regulate your temperature during performance.

## VAPEURSHIELD

Strong, lightweight, water resistant material that helps to keep you dry and comfortable whilst performing in wet weather conditions.

## WASHING GUIDELINES

Care for your Avec garment promptly. The sooner you treat and launder the garment, the better the results will be. Don't allow mud, grass or other stains to set. Do not leave wet or dirty garments in kit bags where smells and permanent stains can develop.

If heavily stained:

- Soak your Avec garments in warm soapy water overnight.
- Take out and scrub the stained area with a soft brush.
- Wash at a medium heat.
- Do not tumble dry if numbers/initials/sponsor logos have been applied.

Always follow the product care label found inside each garment. For full details of our policy and product care guidance, please go to our website.
