WASHING GUIDELINES

Care for your Avec garment promptly. Don't allow mud, grass or any other stains to set. Don't leave wet or dirty garments in kit bags, where smells and permanent stains can develop. Wash your garments on a medium heat. Don't tumble dry if your garment has been personalised as this will damage the prints. If heavily stained:

1. Soak your Avec garments in warm soapy water overnight.
2. Scrub the stained area with a soft brush.

Product care varies between garments so please always refer to the product care label found inside each garment. Please visit www.avecSPORT.com for full details of our policy and product care guide.
